To: All Rate-regulated Electricity Distributors

Re: Webinar for 2021 Global Adjustment Analysis and Account 1595 Workforms

The Ontario Energy Board (OEB) will be holding a webinar on June 25, 2020 at 10:00 am to 12:00 pm for electricity distributors that will file a rate application under any of the three rate-setting methodologies set out in the OEB's *Handbook for Utility Rate Applications*: Price Cap IR, Custom IR and the Annual IR index. Specifically, the webinar will review the GA Analysis and the Account 1595 Workforms.

Login information for the webinar is attached. Participants are invited to submit any questions in advance to ratemodels@oeb.ca, with "Webinar" in the subject line.

Yours truly,
