Audio portion of the session will be delivered via computer audio so make sure you have a headset with microphone, or a laptop that has the capabilities

If you want to use a phone you can get the information by going to Audio → Audio And Video connection → Select **I will dial in**
Don't forget to use **Attendee ID**.

Please mute yourself when entering the meeting. Participants will then be able to unmute themselves if they wish to speak.

To ask questions use the chat feature. We encourage you to use chat as we hope to avoid multiple participants asking questions through audio at the same time. Address questions to **Everyone**. When the moderator calls your name, ask your question via audio by unmuting yourself.
