Dear Ms. Long:

RE: EPCOR Natural Gas Limited Partnership (EPCOR) 2020 Gas Supply Plan Update for the Southern Bruce Franchise Area

In accordance with the requirements under the Framework for the Assessment of Distributor Gas Supply Plans, enclosed is EPCOR's gas supply plan update for the Southern Bruce franchise area (Supply Plan). The Supply Plan is based on a three-year rate period, from June 2020-December 2023.

EPCOR is filing the Supply Plan at this time, as it previously applied for and was granted an extension to file the document within 60 days following the release of the Board's decision in EB-2019-0183.¹ EPCOR has now factored into the Supply Plan the outcome of that decision.

Furthermore, the Supply Plan comments on the utility's updated customer attachment forecast for the Southern Bruce franchise area, including anticipated impacts arising from the Covid-19 emergency period.

Should you have any questions, please contact the writer directly.

Yours truly,
