Dear Mr. Hewson:

**Re: Utilities Kingston \_COVID-19 Energy Assistance Program, implementation by Gas Utilities**

Utilities Kingston has reviewed the Ontario Energy Board's June 16, 2020 letter regarding implementation of the provincial government's COVID-19 Energy Assistance Program (CEAP).

Utilities Kingston is appreciative of the opportunity to assist with delivering the CEAP program in its natural gas distribution territory and confirms the CEAP program will be offered to its natural gas customers in the manner described in the OEB's letter.

Yours truly,
