**DECISION AND ORDER**

Edgecom Energy Inc. filed a complete application on April 16, 2020, with the Ontario Energy Board (OEB) pursuant to section 60 of the *Ontario Energy Board Act* (OEB Act), for a unit sub-metering licence. The licence would allow the applicant to provide unit sub-metering services to consumers in Ontario.

This Decision and Order is being issued by the Delegated Authority without a hearing pursuant to section 6(4) of the OEB Act.

After considering the application and assessing the applicant's technical capability, financial viability and conduct, the OEB finds that it is in the public interest to grant the application and issue a unit sub-metering licence to Edgecom Energy Inc.

**IT IS ORDERED THAT:**

1. The application for a unit sub-metering licence is granted, on such conditions as are contained in the attached licence.
