Dear Ms. Long:

**Re: EPCOR Natural Gas Limited Partnership ("ENGLP") Southern Bruce Project
EB-2018-0263 Decision and Order Condition of Approval No. 4 - Withdrawal request**

We wrote the Ontario Energy Board ("Board") on June 4, 2020 with respect to ENGLP's obligations pursuant to Condition of Approval No. 4, and the 2020 Stage 2 Archeological Assessment for the "backbone" of the Facilities¹. We would like to withdraw that request.

We will continue to submit all archeological reports to the Ministry of Tourism, Culture and Sport ("MTCS") and will continue to submit all clearance letters to the Board, consistent with notifications pursuant to our Conditions of Approval.

¹ The "Facilities" are as defined throughout ENGLP's application and the July 11, 2019 Decision and Order of the Board in the EB-2018-0263 proceeding. The "backbone" refers to the 6-inch and 8-inch portions of the mainline distribution system.
