Dear Ms. Long:

RE: EB-2019-0261 Hydro Ottawa Request for Confidentiality of its Response to Interrogatory EPRF-112 – Energy Probe Submission

In its letter to the OEB of June 23, 2020, Hydro Ottawa requested that the unredacted response to interrogatory EPRF-112 be kept confidential as it contains “*commercially sensitive*” material and could affect “*public security*” In Procedural Order No. 4, the OEB allowed Energy Probe to file a submission regarding Hydro Ottawa’s request for confidentiality of the unredacted response to Energy Probe interrogatory EPRF-112.

Energy Probe has no objection to the confidentiality request by Hydro Ottawa since the unredacted response will be provided to parties that have filed Declaration and Undertaking Forms, which Energy Probe did on May 5, 2020.

Respectfully submitted,

Tom Ladanyi
TL Energy Regulatory Consultants Inc.
Consultant representing Energy Probe
