**RE: EB-2020-0106 – ENGLP Gas Supply Plan Review – FRPO Request**

**REQUEST & SUPPORT**

We act on behalf of the Federation of Rental-housing Providers of Ontario (“FRPO”). We are writing to request participation in the above subject proceeding.

FRPO is Ontario’s leading advocate for quality rental housing, representing over 800 private owners and managers who supply over 350,000 rental suites across the province. Our members strongly believe that the rental-housing sector is best served by a competitive marketplace that offers choice and affordability in the provision of energy services. As a not-for-profit organization, FRPO does not have other funding sources to ensure experienced representation to participate in and assist the Board with these regulatory proceedings. FRPO has previously assisted the Board in other matters and has been awarded costs by the Board. Therefore, FRPO would respectfully request a determination of eligibility for cost award in this proceeding.

**ISSUES & INVOLVEMENT**

FRPO has been a strong advocate for the Board’s increased involvement in reviewing and approving the Gas Supply decisions. We respect that ENGLP must manage the uncertainty associated with a new territory complicated by the ongoing pandemic impacts. This situation would test the flexibility of any natural gas utility’s gas supply plan. Additionally, the gas supply review process is relatively new. This review can contribute to assisting the utility understand the Board’s expectations for a robust plan.

FRPO requests involvement with all aspects of the consultation determined by the Board.
