Dear Ms. Long

EB-2019-0082 – Hydro One Networks inc. – Cost Claim Filing Extension

On July 16, 2020, the Ontario Energy Board (“OEB”) released the Revenue Requirement and Charge Determinant Order related to the application by Hydro One Networks Inc. (“HON”) for electricity transmission revenue requirements beginning on January 1, 2020 for a three-year period. In that Order the OEB determined that costs claims for intervenors should be filed no later than July 23, 2020.

We represent the Consumers Council of Canada (“Council”) and are intervenors in the EB-2019-0082 proceeding. We are seeking a one-week extension to file our cost claim. I am currently out town and the materials I need to prepare the Council’s cost claim are in my Toronto office. We appreciate the OEB’s consideration of this matter and will ensure that our cost claim will be filed by July 30. Thank you.

Yours truly,

Julie E. Girvan
