Dear Ms. Long:

**Re: Enbridge Gas Inc. (Enbridge Gas)
Ontario Energy Board (OEB) File: EB-2018-0108
Don River NPS 30 Replacement Project (Project)**

In its Decision and Order dated November 29, 2018 for the above noted proceeding the OEB included, at Schedule B, several conditions of approval (COA). COA 6 a) indicates that Enbridge Gas shall file a post construction report within three months of the in-service date for the Project. Pursuant to COA 2 (b) iv Enbridge Gas provided the OEB with notice that the Project went into service on April 21, 2020. As a result, the post construction report should be filed with the Board on July 21, 2020.

Due to unforeseen circumstances Enbridge Gas will be filing the post construction report with the OEB on August 4, 2020.

If you have any questions, please contact the undersigned.

Yours truly,
