Re: Hydro Ottawa Limited – Extension on Confidential Filing Response Request

On July 7, 2020, the Ontario Energy Board (OEB) issued its Decision on Confidentiality and Procedural Order No. 4 (PO#4), which among other matters established that if Hydro Ottawa wished to respond to any of the confidentiality submissions, the reply submission was to be filed with the OEB and delivered to all parties on or before July 21, 2020.

On July 20, 2020, Hydro Ottawa filed a letter with the OEB requesting that this date be extended until no later than July 24, 2020. Hydro Ottawa stated that it required this extension due to the extension of the technical conference through to July 21, 2020.

The OEB grants Hydro Ottawa's request given the circumstances outlined by Hydro Ottawa.

All other dates established in PO#4 remain unchanged.

Yours truly,
