Dear Mr. Bortolin

**Re: Lagasco Inc.'s application for determining natural gas pipeline  
classification  
Ontario Energy Board File Number: EB-2019-0166**

The Ontario Energy Board (OEB) is in receipt of your letter and application, dated July 7, 2019, in the above referenced matter. Your letter states that Lagasco Inc. will be filing its pre-filed evidence in support of the application "shortly".

The OEB has not yet received Lagasco Inc.'s pre-filed evidence. As a result, the OEB will hold Lagasco Inc.'s application in abeyance until such time that the pre-filed evidence is filed. The OEB will commence its review of Lagasco Inc.'s application after the evidence is filed.

Yours truly,

Christine E. Long  
Registrar  
Office of the Registrar
