Attention: Ms. Christine Long, Board Secretary

Dear Ms. Long:

**Re: Windsor Pipeline Replacement Project ("Project") – Section 101 Application
Board File No. EB-2020-0160**

We are responding to letters from Energy Probe and Pollution Probe. Enbridge Gas did not object to any of the requestors participating in the proceeding but wished to ensure the hearing would be conducted in an efficient manner. Further, we disagree with other characterizations contained in those letters.

Yours truly,

AIRD & BERLIS LLP
