**INTERIM DECISION AND ORDER**

Toromont Energy Ltd. (TEL) filed an application on July 14, 2020, with the Ontario Energy Board (OEB) pursuant to section 60 of the *Ontario Energy Board Act* (OEB Act), for a renewal of its electricity retailer licence ER-2015-0193.

The licence was issued to the applicant on July 30, 2015 and is set to expire on July 29, 2020. The licence provides that the term may be extended by the OEB.

Along with its application, TEL filed a request for an extension to the term of the licence, pending the final determination of its renewal application.

Considering the time required to process an application in accordance with the OEB's established practice and procedures, it has been found appropriate to issue an order extending the term of the licence ER-2015-0193 until such time as the renewal application is determined on a final basis. This Decision & Order does not constitute a final decision on the application.

The applicant is reminded that it carries the onus of filing an application in a timely manner considering the OEB's typical timelines for processing licence applications.

**IT IS ORDERED THAT:**

The term of Toromont Energy Ltd.'s licence ER-2015-0193 is extended until October 31, 2020, or until the final determination of the electricity retailer licence application, whichever is earlier.

**DATED** at Toronto July 27, 2020
