**Re: EB-2019-0271 Enbridge 2021 DSM Plan
Pollution Probe Cost Claim**

Dear Ms. Long:

In accordance with the OEB's Decision and Order dated July 16, 2020, please find attached the cost claim from Pollution Probe for the above noted proceeding. Pollution Probe followed the process defined by the Board and represented a direct consumer and policy perspective aligned with the Board's mandate in the proceeding.

In alignment with its letter dated December 11, 2019, Pollution Probe also coordinated with other stakeholders during this proceeding including Clean Air Partnership, Clean Air Council, TAF and Efficiency Canada which reduced the total number of potential intervenors and provided an efficient process to provide relevant consumer and policy perspectives during this proceeding.

Respectfully submitted on behalf of Pollution Probe.
