Dear Ms. Long:

**Re: Enbridge Gas Inc. ("Enbridge Gas")
Ontario Energy Board File: EB-2019-0294
Low Carbon Energy Project
Additional Interrogatories (Environmental Defence)**

Enbridge Gas is in receipt of the late interrogatories filed by Environmental Defence. Enbridge Gas does not object to these interrogatories being included as part of the record of this proceeding. However, Enbridge Gas notes that it has not previously reviewed the study referenced and that the team lead for Enbridge Gas's hydrogen efforts is currently on vacation. Enbridge Gas will not be able to answer the additional interrogatories by August 7, 2020 (the date that the TSSA's interrogatory responses are due to the OEB), but will endeavor to do so during the month of August.

Please contact the undersigned if you have any questions.

Yours truly,

(Original Digitally Signed)
