July 30, 2020

DECISION AND ORDER

Canada Energy Wholesalers Ltd. filed a complete application on May 25, 2020 with the Ontario Energy Board (OEB) under section 50 of the *Ontario Energy Board Act, 1998* (OEB Act) for a gas marketer licence. The licence would allow the applicant to market natural gas to low volume consumers in Ontario.

This Decision and Order is being issued by the Delegated Authority pursuant to Section 6 of the OEB Act. The Delegated Authority has considered the application without holding a hearing pursuant to section 6(4) of the OEB Act.

When evaluating applications for an electricity retailer and gas marketer licences, the OEB focuses its consideration on the requirements set out in Ontario Regulation 90/99: Licence Requirements - Electricity Retailers and Gas Marketers (Regulation). The OEB notes that the applicant has been licensed since 2006 to retail electricity. The record in this case indicates that the applicant has met the requirements set out in the Regulation and the application for a gas marketer licence is granted.

IT IS ORDERED THAT:

1. The application for a gas marketer licence is granted, on such conditions as are contained in the attached licence.
