Dear Mr. Van Dusen:

**Re: Hydro Ottawa Limited (Hydro Ottawa)
Application for Rates
OEB File Number: EB-2019-0261**

This letter is in response to your letter to the Ontario Energy Board (OEB) dated July 29, 2020, requesting an extension to the deadline for the filing of responses to 13 undertakings from the Technical Conference. Hydro Ottawa commits that two undertakings will be submitted on August 5, 2020, and 11 undertakings will be submitted as soon as feasibly possible.

The OEB grants Hydro Ottawa's request for an extension to the filing deadline for the 13 undertaking responses, on the condition that responses to the 11 undertakings being filed as soon as possible are delivered prior to the commencement of the settlement conference on August 10, 2020. The dates for all other procedural steps in Procedural Order No. 3 remain unchanged.

Yours truly,
