OEB File No. EB-2020-0091 - Enbridge Gas Integrated Resource Planning Proposal
TransCanada PipeLines Limited (TCPL) Response to Procedural Order No. 2

In Procedural Order No. 2 dated July 15, 2020, the Ontario Energy Board (Board) requested that any party intending on filing evidence in this proceeding file a letter with the Board describing the nature of the proposed evidence. At this time, TCPL does not anticipate that it will adduce specific evidence related to the established Issues List, however TCPL reserves its right to participate in any aspects of this proceeding in the future should the need arise.

Yours truly,
TransCanada PipeLines Limited
