**RE: EB-2020-0095 – EGI 2021 Rates Application**

**REQUEST & SUPPORT**

We are writing on behalf of the Federation of Rental-housing Providers of Ontario (FRPO) in regard to the Notice of Application received from Enbridge Gas Inc. ("EGI") on July 20<sup>th</sup> in the matter of the EGI's 2021 Rates Application.

FRPO is Ontario's leading advocate for quality rental housing, representing over 800 private owners and managers who supply over 350,000 rental suites across the province. Our members believe strongly that the rental-housing sector is best served by a competitive marketplace that offers choice and affordability in the provision of energy services. As a not-for-profit organization, FRPO does not have other funding sources to ensure experienced representation to participate in and assist the Board with these regulatory proceedings. FRPO has previously assisted the Board in other matters and has been awarded costs by the Board. Therefore, FRPO would respectfully request a determination of eligibility for cost award in this proceeding.

**ISSUES**

EGI has submitted an application under Section 36(1) of the Ontario Energy Board Act, 1998, for order or orders approving of fixing just and reasonable rate for its services as of January 1, 2021. The rate impacts from these proposed changes affect FRPO members. As such, FRPO respectfully requests involvement in all aspects of the proceeding. We recognize that our request is beyond the deadline in the notice and apologize for the inconvenience to the Board and EGI.

We appreciate that the Board has established that it will decide on oral versus written hearing at a later date. As such, FRPO reserves on its submissions on this issue until after the interrogatory process when our submission may be of greater assistance to the Board.

**REPRESENTATION**

If the intervention requested is granted, then FRPO asks that further communications with respect to this matter be sent to the following:
