Dear Ms. Long,

**Re: EB-2019-0082 – Application for Transmission Revenue Requirement for 2020-2022 –
Objections to the claimed costs – Hydro One's letter**

This letter is further to Hydro One Network Inc 's ("Hydro One") August 6, 2020 correspondence related to cost claims in the above referenced proceeding.

Hydro One advises that it is withdrawing its objection to the cost claim of Michipicoten First Nation ("MFN"). After further discussion with MFN's legal counsel, Hydro One has an understanding of the MFN's evidence review and participation that aided in an efficient regulatory process.

An electronic copy of this letter has been filed through the Ontario Energy Board's Regulatory Electronic Submission System (RESS).

Sincerely,

A handwritten signature in cursive script that reads "Frank D'Andrea".
