IN THE MATTER OF the *Ontario Energy Board Act*,
1998, S.O.1998, c.15, Schedule B;

AND IN THE MATTER OF an application pursuant to
section 74 of the *Ontario Energy Board Act*, 1998 by
Hydro One Networks Inc. to amend electricity
distribution licence ED-2003-0043.

DECISION AND ORDER

Hydro One Networks Inc. filed an application on December 3, 2007 with the Ontario Energy Board pursuant to section 74 of the *Ontario Energy Board Act*, 1998 to amend electricity distribution licence ED-2003-0043 to reflect past decisions of the Board.

On June 23, 2008, the applicant filed a summary of the requested amendments. A summary of forty -eight amendments is provided as Appendix A to this decision and order. The request consists of:

- Thirty editorial amendments, i.e. replacement of “licensee” with “Licensee”;
- Seventeen amendments to reflect current distributors and their current licences, i.e. replacement of Asphodel/Norwood Distribution Inc., licence ED-2002-0506 with Peterborough Distribution Inc., licence ED-2002-0504; and
- An amendment to remove an exemption from the requirements of section 2.4.28 of the Distribution System Code as noted in Schedule 3 of the licence. The exemption was in effect until November 30, 2005.

The forty-eight licence amendments noted in Appendix A are granted.

Just prior to and during the course of this proceeding, the applicant was a party to other proceedings that required amendments to its distribution licence. These amendments were approved and documented on an older version of the distribution licence. For reference, the ten licence amendments associated with the other proceedings are noted in Appendix B.

I have proceeded without a hearing pursuant to section 21(4)(b) of the Act since no other parties are adversely affected in a material way by the outcome of the proceeding and the applicant has consented to disposing of the proceeding without a hearing.

IT IS THEREFORE ORDERED THAT:

Electricity Distribution Licence ED-2003-0043 is amended to reflect the amendments noted in Appendix A to this decision.

The amended licence is attached to this Order.
