RE: EB-2020-0160 – EGI Windsor Line – S101 Application

Accompanying this cover letter, please find a notice of motion made by the Federation of Rental-housing Providers of Ontario (FRPO) under s. 27.03 of the Board's *Rules of Practice and Procedure*, which seeks full and adequate interrogatory responses.

FRPO believe this motion could be adequately heard in writing and requests for an opportunity to respond to any submissions made by Enbridge.

Further, we recognize that Environmental Defence has also submitted a motion for full and adequate interrogatory responses. We support their request as they too are trying to understand costs and ratepayer risks. Given our mutual acceptance of the merits of a technical conference as an effective approach to creating clarity for the Board, we respectfully submit that this form of discovery may be most effective.

Thank you for your consideration of this request

Respectfully Submitted on Behalf of FRPO,

Dwayne R. Quinn
Principal
