Dear Mr. Richard:

Re: Hearst Power Distribution Co. Ltd's (Hearst Power) Request for an Extension to the Filing of its Cost of Service Application for 2021 Rates Ontario Energy Board File Number: EB-2020-0027

This letter is in response to your letter to the Ontario Energy Board (OEB) dated August 20, 2020, requesting an extension to the date for the filing of Hearst Power's 2021 Cost of Service application. Hearst Power requested an extension from August 31, 2020 to November 30, 2020 (note that Hearst Power's letter mistakenly said 2019) due to the current COVID-19 pandemic. The OEB grants Hearst Power's request.

The OEB anticipates that the OEB panel hearing the application will take into consideration any COVID-19 related delays in setting the effective date for Hearst Power's 2021 rates.

Yours truly,
