Attention: Registrar

Dear Ms. Long:

**Re: Enbridge Gas Inc. (Enbridge) 2020 Federal Carbon Pricing Program Application
Comments on Draft Rate Order
OEB File No.: EB-2019-0247**

We are counsel to Anwaatin Inc. (**Anwaatin**) in the above-referenced proceeding and file these comments on Enbridge's draft rate order (**DRO**) further to the Board's Decision and Order dated August 13, 2020 (the **Decision**).

Anwaatin has had the opportunity to review the DRO and Board Staff's comments on the DRO and, like Board Staff, notes that it does not make any reference to the **interim nature** of the Board's approval of the federal carbon charge and disposition unit rates for the Federal Carbon Charge – Customer Variance Account for on-reserve First Nations customers.¹

Anwaatin respectfully requests that the Board direct Enbridge to confirm in writing that its rate handbook will clearly identify the **interim nature** of these charges for on-reserve First Nations customers in a manner that is consistent with the Decision.

Sincerely,

A handwritten signature in black ink that reads "Jonathan McGillivray".
