Dear Mr. Payne:

**Re: North Bay Hydro Distribution Limited – Request for an Extension to the Filing of its Cost of Service Application for 2021 Rates
Ontario Energy Board File Number: EB-2020-0043**

This letter is in response to your request dated August 31, 2020 for an extension to the date for the filing of North Bay Hydro Distribution Limited's (North Bay Hydro) 2021 Cost of Service application. North Bay Hydro requested an extension from August 31, 2020 to November 30, 2020 due to the current COVID-19 pandemic. The Ontario Energy Board (OEB) grants North Bay Hydro's request.

This extension does not ensure that a May 1, 2021 effective date will be approved for North Bay Hydro. The effective date for rates will be determined by the OEB panel hearing the application; however, the OEB anticipates that the OEB panel hearing the application will take into consideration any COVID-19 related delays.

Yours truly,
