Dear Ms Long:

**Re: EB-2020-0048– Application by Oshawa PUC Networks Inc. – 2021 Rates**

I am a consultant to the Consumers Council of Canada (“Council”). I have been instructed by my client to intervene in the proceeding to consider the Application to the Ontario Energy Board (“OEB”) by Oshawa PUC Networks Inc. (“Oshawa PUC”) for distribution rates effective January 1, 2021. The Council is a public-interest entity which represents the interests of residential consumers in Ontario. The Board’s order in this proceeding will ultimately impact the rates that residential consumers pay for the distribution of electricity.

On March 15, 2020, the Council filed with the Board, pursuant to Rule 22.03 of the Ontario Energy Board’s Rules of Practice and Procedure, a document describing the Council, its mandate and objectives, membership, the constituency represented, and the types of activities the Council carries out. In addition, we provided a list of the individuals authorized to represent the Council in Board proceedings.

The nature and scope of the Council’s intended participation in the proceeding will be the following:

1. To test and assess the Applicant’s evidence regarding its proposed rates and charges. The Council will also review any other proposals included in the Application that may impact residential consumers; and
2. To participate in the various aspects of the proceeding which may include an interrogatory process, a technical conference, a settlement conference and a hearing.

The Council intends to ask for an order of costs in this proceeding. The Council has participated in many electricity proceedings over a long period of time including Oshawa PUC’s previous Custom IR Application. In all of those proceedings the Council has been recognized as being eligible for an award of costs. In the absence of an award of costs the Council would be unable to participate in this proceeding.

Copies of all correspondence related to this proceeding and hard copies of the Applicant’s evidence should be sent to the following consultant:

Please let us know if any further information from the Council is required at this time.
