Dear Ms. Walli:

**RE: EB-2008-0106 (Commodity Pricing, Load Balancing and Cost Allocation  
Methodologies for Natural Gas Distributors in Relation to Regulated Gas Supply)  
Notice of Late Intervention: Natural Resource Gas Limited ("NRG")**

---

We are legal counsel to NRG. By way of this letter, NRG is giving notice of late intervention in the above-noted proceeding.

As a rate-regulated distributor and default supplier of natural gas to approximately 6,500 customers in southwestern Ontario, NRG will be directly affected by the outcome of this proceeding, particularly any determinations on standardized QRAM methodology and PGVA disposition. As such, it is important that NRG be able to participate fully in the hearing process.

All materials related to the above-noted proceeding should be directed to me, and not to Mr. Chuck Hindley. Please amend your records accordingly.

NRG reserves the right to be heard in English and participate in all phases of the proceeding.

Yours very truly,

Richard J. King
