Dear Mr. Van Dusen:

**Re: Hydro Ottawa Limited (Hydro Ottawa)
Application for Rates
OEB File Number: EB-2019-0261**

This is in response to your letter of September 10, 2020 to the Ontario Energy Board (OEB) requesting a further one-week extension to the date for the filing of a Settlement Proposal from September 11, 2020 to September 18, 2020.

The OEB approves the request to extend the filing deadline. However, as this is the latest in a series of extension requests, the OEB hereby suspends both of the filing deadlines set out in Procedural Order No. 6. The OEB will set a new deadline for any OEB staff submission on the Settlement Proposal when a Settlement Proposal is filed. In the event that there is no Settlement Proposal arising out of this proceeding, Hydro Ottawa shall provide written notification to the OEB of the failure to reach a settlement.

Yours truly,
