Re: Alectra Utilities Corporation (Alectra) - 2021 Electricity Distribution Rates Application – ICM Requests  
AMPCO Intervention Request  
Board File No. EB-2020-0002

Dear Ms. Long:

I am writing pursuant to the Board's Notice regarding the above proceeding to request intervenor status.

#### **AMPCO's Interest**

AMPCO is a not-for-profit consumer interest advocacy organization. AMPCO's members represent Ontario's major industries: forestry, chemical, mining and minerals, steel, petroleum products, cement, automotive and manufacturing and business consumers in general. AMPCO members are major investors, major employers and a major part of communities in which we operate, across Ontario.

AMPCO and its member companies are well known to the Board. AMPCO participates in many proceedings, working groups, consultations and initiatives of the Ontario Energy Board in which matters relevant to Ontario's large electricity consumers are being addressed.

AMPCO's interest in the Board's regulation of distribution and transmission companies relates generally to the interests of consumers with respect to price, adequacy, reliability and quality of electricity service, and, more particularly, to how costs are allocated to, and rates are designed to recover costs from, industrial customers.

Alectra is requesting approval for incremental capital funding for the Brampton and PowerStream Rate Zones for 2021. AMPCO intends to review how the incremental capital funding requests meet the ICM criteria in the context of Alectra's Distribution System Plan. AMPCO intends to participate in all key aspects of the process as required including interrogatories, technical and settlement conferences, and final submissions. AMPCO is intervening to ensure that the interests of its member are fully represented in the determination of just and reasonable rates. AMPCO has participated in previous applications where Alectra has requested incremental capital funding.

We respectfully request that the Board please confirm AMPCO's eligibility for an award of costs in this matter.

**Notice**

Please serve all correspondence pertaining to this proceeding to AMPCO 's consultant as follows:
