**Re: PUC Distribution Inc. Decision and Rate Order
Board File No. EB-2019-0170**

On April 16, 2020 the OEB issued a Decision and Rate Order in relation to the IRM application (EB-2019-0170) filed by PUC Distribution Inc. ("PUC") for May 1, 2020 rates. Subsequent to such order, also on April 16, 2020, the OEB issued a letter to advise of the option to postpone 2020 IRM rate implementations to November 1, 2020.

In response to the COVID-19 situation, PUC believes the postponement is in the best interests of its customers by providing increased relief at this time. By means of this letter, PUC confirms that it will elect to postpone the implementation of the 2020 IRM rates to November 1, 2020. As directed, PUC will track foregone distribution revenue associated with the postponement in Account 1509.
