Dear Ms. Long,

**RE: EB-2020-0013 Elexicon Energy Veridian Rate Zone 2021 Rates Application
Energy Probe Request to withdraw its Intervenor Request**

Energy Probe Research Foundation (Energy Probe) hereby requests Board leave to withdraw its request for intervenor status and cost eligibility in the EB-2020-0013 proceeding, the application by Elexicon Energy to the Ontario Energy Board for the approval of its proposed Veridian Rate Zone 2021 rates.

Energy Probe filed its request for intervenor status because Elexicon Energy indicated its intention of filing in April 2021, evidence under the EB-2020-0013 docket for its application for OEB approval of ICM projects and its DSP. By letter dated September 30, 2020, Elexicon Energy indicated that it will not be filing this evidence under the EB-2020-0013 docket. As Energy Probe's only interest in the EB-2020-0013 proceeding was the impact on customers of the ICM projects and the DSP, Energy Probe is requesting leave to withdraw its intervenor request.

Respectfully submitted on behalf of Energy Probe.

Consultant representing Energy Probe
