Dear Ms. Long:

**Re: Imperial Oil Limited
Waterdown to Finch Project
OEB File No. EB-2020-0219**

Pursuant to Procedural Order #2, please find our client's summary of evidence it requests to file in this matter.

Our client requests to file: an accounting and summary of hazardous chemicals storage including warehouse mapping by chemical types in the structures on its lands, use and/or processing on its lands by its tenant, Gardex Chemicals Ltd.; applicable 2020 fire safety plans specific to our client's lands and structures prepared by 1st Place Fire Protection Inc. dated July 15, 2020, correspondence, policies and protocols from municipal and provincial entities (the City of Mississauga Fire Services and the Ministry of Environment and Climate Change and the Ontario Ministry of Labour) related to chemical fire suppression approaches relevant to our client's use, and garden/pesticide industry documents related to environmental risks, hazards and fire suppression approaches. The materials our client requests to file are from independent, third party arm's length entities.

We submit that the materials requested to be filed by our client relate to environmental and land matters which may inform the Tribunal's consideration of appropriate route alignment and/or conditions on the infrastructure placed in proximity to our client's structure, construction and use of the proposed pipeline.
