Dear Ms. Wiens:

**Re: Atikokan Hydro Inc.
Application for 2021 IRM rate application
Ontario Energy Board File Number: EB-2020-0004**

This letter is in response to your letter to the Ontario Energy Board (OEB) dated October 8, 2020, requesting an extension to the date for the filing of Atikokan Hydro Inc.'s 2021 IRM rate application from October 13, 2020 to October 30, 2020. Atikokan Hydro Inc. requested this extension as it is unable to file by the assigned deadline due to disruptions caused by the COVID-19 pandemic and other utility mandates.

The OEB grants Atikokan Hydro Inc.'s request for an extension. The OEB anticipates that the OEB decision-maker for the application will take into consideration any COVID-19 related delays in setting the effective date for Atikokan Hydro Inc.'s 2021 rates.

Yours truly,
