Dear Ms. Reesor:

**Re: Newmarket-Tay Power Distribution Ltd.
Application for 2021 IRM rate application
Ontario Energy Board File Number: EB-2020-0041**

This letter is in response to your letter to the Ontario Energy Board (OEB) dated October 7, 2020, requesting an extension to the date for the filing of Newmarket-Tay Power Distribution Ltd.'s 2021 IRM rate application from October 13, 2020 to November 23, 2020.

The OEB establishes deadlines for the filing of IRM applications each year.¹ As per the Chapter 3 filing requirements,² for applications filed after the deadline, the effective date of approved rates may be later than the proposed effective date. As a result, Newmarket-Tay Power Distribution Ltd filing their application after October 13, 2020, may result in the effective date of its approved rates being after May 1, 2021. The OEB grants Newmarket-Tay Power Distribution Ltd.'s request for an extension.

Yours truly,
