This letter is to include my comments on the proposed increase in the electricity distribution rates. I can't believe that after everything people have been through that you have the audacity to ask for an increase. People have had jobs cut back or eliminated altogether. This is not the time to ask for an increase in any measure. Maybe \$2.81 per month is nothing to you, but it is enough to make me so frustrated. As a single mother of two children with a mortgage and bills I do not appreciate being told that I may have an increase in my electricity bill. Please, please do not approve this increase.

I can't take it. I am not happy and there are others, regular people who are finding it difficult still to find a job and get back on track. CERB was great, but you I will have to pay for it come tax time. Please, please I ask you again to reconsider.

Thank you for your ti
