Dear Ms. Long:

Re: EB-2020-0067 – Enbridge Gas Inc. (EGI) 2017/2018 Demand Side Management (DSM) Deferral and Variance Account (DVA) Disposition Application.

Industrial Gas Users Association (IGUA) Notice of Non-Filing of Submissions.

In our letter of August 21st through which IGUA requested intervenor status herein we explained that based on our review of the pre-filed material we anticipated that IGUA's involvement in the matter would be limited to understanding and validating the basis for the variance account balances allocated to the rate classes through which IGUA's members take gas distribution service.

The record herein reflects that for those rate classes clearance proposals are credits, or relatively small charges. We have also had the benefit of reviewing the submissions of OEB Staff and of some other parties. Accordingly, IGUA will not be filing substantive submissions in this matter.

Yours truly,

Ian A. Mondrow
