Attention: Ms. Christine Long, Registrar and Board Chair

Dear Ms. Long:

**Re: EB-2020-0061 – Application for May 1 2021 Electricity Distribution Rates
2021 Cost of Service Application
Wellington North Power Inc.**

On November 13, 2019, the Ontario Energy Board (the "OEB") issued a letter to all licensed electricity distributors concerning applications for 2021 Electricity Distribution Rates. In Appendix A of that letter, Wellington North Power Inc. (WNP) was scheduled for rebasing for rates effective May 1, 2021, with a filing date of August 31, 2020.

On August 6, 2020, WNP advised the OEB that it would be delayed in submitting its' Application due to the COVID-19 Pandemic and would be filing on October 31, 2020. Accordingly, WNP now submits its 2021 Cost of Service Application.

WNP has filed all necessary Exhibits (as text searchable PDF documents) and Excel models (with identifiable names) on the OEB's web portal as evidence supporting its' 2021 Cost of Service Application for May 1, 2021 electricity distribution rates.

Should the Board have questions regarding this matter please do not hesitate to contact me.

Yours sincerely,
