**Re: EB-2019-0007 - Imperial Oil Waterdown to Finch Project
Decision and Order**

Dear Ms. Long:

Further to the Decision and Order issued by the Ontario Energy Board (the "OEB") dated March 12, 2020 Imperial Oil Limited ("Imperial") is providing notification of completion of the Environmental Protection Plan and the following Environmental Management Plans and Environmental Contingency Plans in accordance with Condition 4 of Schedule B.

- Environmental Protection Plan
- Erosion and Sediment Control Plan
- Water Management Plan
- Reclamation Plan
- Spill Prevention and Response Plan
- Waste Management Plan
- Contaminated Materials Management and Handling Plan
- Traffic Management Plans
 - o City of Hamilton Traffic Accommodation Strategy
 - o City of Burlington Traffic Accommodation Strategy
 - o Region of Halton Traffic Accommodation Strategy
 - o Town of Millton Traffic Accommodation Strategy
 - o Region of Peel Traffic Accommodation Strategy
 - o City of Mississauga Traffic Accommodation Strategy
 - o City of Toronto Traffic Accommodation Strategy
 - o Ministry of Transportation Traffic Accommodation Strategy
- "Chance Find" Contingency Plan for Archaeological Resources

These documents have been issued for construction, however are subject to update pending receipt of final outstanding permit approvals. Imperial will provide the OEB with notification of any substantial updates to these documents.

The following documents are not yet complete but will be completed prior to construction. Imperial will provide notification to the OEB upon completion of these documents:

- Health and Safety Plan
- Communication Plan
- Inadvertent Returns during HDD Contingency Plan

Waterdown to Finch Project

A copy of these documents are available to the parties upon request.

Sincerely,

A handwritten signature in black ink, appearing to read "Jessie Malone". The signature is fluid and cursive, with the first name "Jessie" written in a larger, more prominent script than the last name "Malone".
