Dear Ms Flora Ho:

**Re: Request for Intervenor Status and Cost Eligibility  
Enbridge Gas Inc.'s application for leave to construct the London Lines  
Replacement Project  
Ontario Energy Board File Number: EB-2020-0192**

This letter is in response to your letter dated October 30, 2020, filed on behalf of Association of Power Producers of Ontario (APPPrO) requesting intervenor status and cost eligibility in the above proceeding. APPPrO's intervention request was filed after the deadline for requesting intervenor status had passed.

No objection was received from Enbridge Gas Inc.

APPPrO is approved as an intervenor and is eligible to apply for an award of costs under the OEB's *Practice Direction on Cost Awards*. APPPrO shall accept the record of the proceeding as it stands to this point. Pursuant to Procedural Order No. 1, dated October 29, 2020, intervenor interrogatories are due by November 10, 2020.

Yours truly,

*Original Signed By*
