Dear Mr. McKenzie:

**Re: Tillsonburg Hydro Inc. (Tillsonburg Hydro)
Application for 2021 IRM rate application
Ontario Energy Board File Number: EB-2020-0056**

This letter is in response to your letter to the Ontario Energy Board (OEB) dated November 2, 2020, requesting an extension to the date for the filing of Tillsonburg Hydro's 2021 IRM rate application from November 2, 2020 to November 13, 2020.

The OEB grants Tillsonburg Hydro's request for an extension.

The OEB establishes deadlines for the filing of IRM applications each year with a view to issuing its decisions in time for May 1 implementation.¹ Please note that any further delays in filing may mean that the effective date of Tillsonburg Hydro's 2021 rates may be after May 1, 2021.

Yours truly,
