Dear Mr. Mo:

**Re: Ontario Power Generation Inc.
2021 Hydroelectric Payment Amount Application
Ontario Energy Board File Number: EB-2020-0210**

The Ontario Energy Board (OEB) received Ontario Power Generation Inc.'s (OPG) 2021 payment amount application for its hydroelectric generating facilities on September 1, 2020. The OEB has assigned file number EB-2020-0210 to the application. An employee of the OEB, to whom authority has been delegated under Section 6 of the *Ontario Energy Board Act, 1998*, intends to make a decision on the application without holding a hearing.

Your application is available on the [OPG Payment Amount webpage](#) of the OEB's website. You are directed to make a copy of the application available in a prominent place on your company's website within 3 business days.

The OEB issued a letter on November 9, 2020 setting out the 2021 inflation parameters.¹ OEB staff will send OPG written questions on OPG's application. Please respond to these questions no later than seven days after receiving the questions. OEB staff may follow-up by way of further written questions or a conference call, if necessary.

After receiving OPG's responses to OEB staff's questions (and potential follow-up questions), the delegated decision maker will provide you with a draft of the decision that he or she proposes to make. You may comment on the draft decision within 5 days. The delegated decision maker will consider your comments and issue a final decision and payment amount order.

Please note that the timely processing of the application depends on the receipt of information within the specified timelines. Any questions relating to this letter or the process for your application should be directed to Lawrie Gluck at lawrie.gluck@oeb.ca or at 416-440-7678. The OEB's toll-free number is 1-888-632-6273. Please also copy the Registrar at Registrar@oeb.ca, with any future correspondence.
