Re: Westario Power Inc. 2021 IRM Application EB-2020-0062

Dear Mr. Lau

In light of the COVID-19 Pandemic and the economic uncertainty that it has caused for customers Westario Power Inc. would like to elect not to use the full 2.2% inflationary factor approved for 2021 electricity distributors. Westario Power Inc. elects to use a reduced inflationary factor rate of 2.0% for calculating its 2021 distribution rates.

Yours truly,

Malcolm McCallum, CPA, CMA, MBA
VP Finance and CFO
