Dear Ms. Long:

Re: EB-2020-0095 Enbridge Gas Inc. 2021 Rates Application – Quinte Manufacturers Association Cost Claim

Pursuant to the Ontario Energy Board's Decision on Settlement Proposal and Interim Rate Order dated November 6, 2020 concerning the above-noted proceeding, please find attached the cost claim documentation of the Quinte Manufacturers Association ("QMA" or "Association") for the Phase 1 portion of this bifurcated application.

The Association appreciated the opportunity to participate in this proceeding and believes it has acted in a responsible manner throughout and meets the eligibility requirements set out in the Ontario Energy Board's *Rules of Practice and Procedure* and the *Practice Direction on Cost Awards*. I would ask that the cost claim payment be made directly to GH Günther Huettlin Manufacturing Inc. on behalf of the QMA.

If you require further information please contact Michael McLeod at mdmcl@kos.net or the undersigned.

Sincerely,

Sincerely,

Scott Roodvoets
