Dear Ms. Long:

**Re: EB-2020-0030 Hydro One Networks Inc. 2021 Distribution Rates and Other Charges Application**

The Quinte Manufacturers Association (“QMA” or “Association”) requested and was granted intervenor status in the above-noted proceeding. At the time of our intervention request the Association identified certain matters concerning the GA Accounts may be of concern to members.

The Association recognizes the mechanistic nature of the requested adjustments and the helpful interrogatories prepared by Board Staff and responded to by Hydro One. As a result, the QMA has no further submissions to make at this time.

If you require further information please contact Michael McLeod at [mdmcl@kos.net](mailto:mdmcl@kos.net) or the undersigned.

Sincerely,

Scott Roodvoets  
Steering Committee Chair
