Dear Mr. Denomy:

**Re: Enbridge Gas Inc. (Enbridge Gas)
Email from Infrastructure Ontario
NPS 20 Waterfront Relocation Leave to Construct Application
OEB File Number: EB-2020-0198**

On November 20, 2020, the OEB was copied on an email from Infrastructure Ontario to Enbridge Gas in respect of the above referenced proceeding. Infrastructure Ontario stated that property owned by the Minister of Government and Consumer Services is within and adjacent to the project's study areas. Infrastructure Ontario stated that if government property is required for the project, then Enbridge Gas should contact Infrastructure Ontario so that it can advise about requirements for obtaining government property.

The OEB requests that Enbridge Gas file a letter with the OEB that responds to Infrastructure Ontario's email.

Please direct any questions relating to this application to Ritchie Murray, Project Advisor at 416-454-8837 or Ritchie.Murray@oeb.ca.

Yours truly,
