All relevant information and updates to the application have either been provided to you earlier by OEB staff or are now being sent to you in this draft decision.

Please review the decision and the accompanying draft Rate Order for accuracy and completeness. Provide written comments or a confirmation that Kingston Hydro Corporation has no comments no later than December 7, 2020.

The Manager of Major Rate Applications and Consolidations will consider your comments, if any, provided they have been received by the deadline, and issue a final decision and rate order in due course.
