Dear Ms. Long:

**Re: Board File No. EB-2020-0016  
Energy+ Inc. – Draft Rate Oder**

Energy+ Inc. has reviewed the Tariff of Rates and Charges set out in Schedule A of the draft Decision and Rate order dated December 1, 2020 and confirms its completeness and accuracy except for the following items.

- In the 2021 IRM Model, the monthly service charge for the MicroFIT Service Classification on tab “16. Rev2Cost\_GDPIPI” is \$5.40, however on tab “19. Final Tariff Schedule” and Schedule A of the draft rate order the rate is \$4.55.
- Energy+’s Tariff of Rates and Charges have included a note of Gross Load Billing since the 2019 Cost of Service Application (EB-2018-0028). This note was omitted in Schedule A of the draft rate order.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "DM", written over a light blue horizontal line.
