**Re: EB-2019-0007 - Imperial Oil Waterdown to Finch Project
Decision and Order**

Dear Ms. Long:

Further to the Decision and Order issued by the Ontario Energy Board (the "OEB") dated March 12, 2020 Imperial Oil Limited ("Imperial") is providing notification of completion of the following documents in accordance with Condition 4 of Schedule B.

- Health and Safety Plan
- Communication Plan
- Inadvertent Returns during HDD Contingency Plan

Pre-construction and preparatory work is underway, with pipeline construction planned to begin shortly.

A copy of these documents are available to the parties upon request.

Sincerely,

A handwritten signature in black ink, appearing to read "Jessie Malone".
