Pre-Application Stakeholder Conference – Invitation Letter  
Board File Number: EB-2020-0297**

Ontario Power Generation Inc. (OPG) is expected to file a Custom Incentive Rate-setting application with the Ontario Energy Board (OEB) for approval of nuclear payment amounts and other matters for the 2022-2026 period later this month.

The OEB is seeking input on how best to plan for an efficient and effective hearing for OPG's upcoming application with a view to completing the proceeding in 355 days as per the OEB's performance standard. Specifically, OEB staff has developed a draft hearing plan and is seeking input from OPG and any interested parties that intend to seek intervenor status in this OPG proceeding. For that purpose, the OEB will hold a brief pre-application stakeholder conference on December 17, 2020.

### **Stakeholder Conference Details and Cost Awards**

The OEB's stakeholder conference will be held on **December 17, 2020 from 1- 3 p.m.** by webcast. Conference details will be sent to registered participants before the meeting date. The conference will not be transcribed.

The OEB was advised by OPG that it will be holding an indigenous and stakeholder information session on its upcoming application that morning, from 10 a.m. - 12 p.m. and will be sending invitations to potentially interested parties. Although that session is not organized by the OEB, for administrative convenience, the OEB and OPG have agreed to use the same webcast platform and call-in details.

Stakeholders who intend to participate in the OEB's stakeholder session should indicate their intent by filing a letter with the OEB. The letters should be emailed to [registrar@oeb.ca](mailto:registrar@oeb.ca) by **December 11, 2020**. Kindly include "EB-2020-0297<sup>1</sup> - OPG
